=====

If you are attending and setting up a display for a faith-based ministry:

1. You must have been contacted by Hibbing Alliance Church or contact them prior to the conference to be authorized to display. Contact Marsha at 218-929-1221 or mnelson7576@yahoo.com. We have limited space and need to know about your ministry. No day of event (just show up) displays will be accepted.
2. We are unable to give you podium time, but there will be break times in which you can talk to people about your ministry. We will provide a directory to attendees of all ministries who have a display.
3. You may include information about supporting your ministry but discourage active solicitation/sales.
4. We have some tables available but appreciate it if you have a table you can bring. We can accommodate displays up to 8' wide. (Please answer the questions below.)
5. The church will be open at noon. Please have your display set up by 1:00pm. We will give you a map of your location and an assistant will help you locate your spot. Sign in for guests will begin at 1:30, so we want all set-ups complete by then so they can view displays prior to the start of the sessions at 2:00.
6. You are subject to the fees listed in the registration, unless part of the Cass Lake/Bena team who are co-hosting this event or have been previously advised otherwise.
